PREFERRED POST:

STAFF NURSE

CAREER OBJECTIVE :

An enthusiastic, hard-working and competent healthcare professional with the required nursing experience needed to deliver high-quality, customer-focused, and clinically effective patient care in a modern, well-equipped clinical setting. Key qualities include continually assessing patients' needs and wishes, coping with frequent interruptions in high-pressure situations, and responding quickly to emergencies and having a real passion for nursing, with a strong desire to provide the highest level of care & service to patients. **Mayuri** is currently looking for a suitable position with a responsible employer who will assist in developing her career & skills.

STRENGTHS:

- Proactive with the ability to multitask & work hard.
- Self-motivated with the ability to perform well under pressure.
- Have a sense of ethics.

NATURE OF JOB CARRIED OUT :

- Good written & verbal communication skills.
- Ability to follow instructions and feedback.
- Physically able to perform the full range of nursing duty.
- Provides exceptional service to all patients
- Complete assessment of the patient and all documents in the medical record.

DUTIES & RESPONSIBILITIES:

- Assist in carrying out procedures and doctors' orders according to accepted standards.
- Meeting patient's nursing care needs.
- Participating in nursing team meetings.
- Complying with all legal, regulatory and best practice guidelines.
